**Appeal Disclaimer Pursuant to Section 6 "Engine Tech Procedures"**

A decision involving engine legality may be appealed in writing to the Track Tech Committee. The part or parts in question must be submitted to Tech Committee by the Race Director or Tech Inspector of the event. Before a disputed part leaves the control of the Race Director or Tech Inspector, the part or parts in question shall be packaged and sealed with tape; both the competitor's and Race Director's (or Tech Inspector's) signature must appear on the tape. This box can be packaged into a shipping box or suitable container by the Race Director or Tech Inspector. The submitted part or parts shall be evaluated in a timely manner (preferably the Monday following the disputed event).

The entrant will be responsible for a **\$50.00 appeal fee**, and shall assume all responsibility and risk involved; fees shall be paid to the Race Director or Tech Inspector at the time the part or parts are submitted and shall be presented to the Tech Committee/Chairman. The entrant shall be provided with a receipt upon payment to the Race Director or Tech Inspector; the receipt shall include the paid fee as well as an itemized listing of the parts or parts submitted for inspection.

The part or parts will be returned to the competitor with a written evaluation; the Race Director or Tech Inspector will also be notified of the review results.
